Honourable Minister-in-charge,
Department of School And Higher Education,
Bikash Bhavan,
Salt Lake
Kolkata**

Sir,

This is to inform you that a large number of college teachers and non teaching employees had performed election duties in the last assembly election of West Bengal. We have been reported that even after taking shots of Covid vaccine a large number of teachers and non teaching employees were infected by corona virus. It is a matter of deep shock to us that we have lost quite a few teachers and non teaching employees who were infected by novel corona virus soon after discharging their election duties. The families of these departed teachers and non teaching employees including the State Aided College Teachers (SACT) are in pathetic condition. We are working on making a database of such cases. We urge upon you to kindly provide suitable employment for one member of each such family and let the bereaved families earn their livelihood with a source of income.

Hope you will be kind enough to consider our request and do the needful.

In this connection we also request you to make necessary arrangements for immunisation of the Teachers, Students and Non-Teaching employees in all the academic institutions of our state.

With regards,

**(Prof. Kesab Bhattacharya)
General Secretary
